

# Looking for a creative and thoughtful gift for friends and family?

Consider a gift that shows what the holiday season is truly about; care and compassion for those in need. The wild buffalo of Yellowstone deserve protection. Buffalo Field Campaign volunteers are in the field with the buffalo throughout the year to make sure that no action taken against them goes unnoticed and without scrutiny. BFC is truly a grass roots organization where every penny donated is wisely used to keep volunteers in the field with the buffalo. For only about \$50 a month, BFC feeds, houses and provides for the needs of our volunteers through the cold Montana winters.

***Have BFC send an “Adopt a Volunteer” gift card to friends and family for a donation of \$50 each.***

***A donation has been made in your name to help protect the Yellowstone Buffalo, the only genetically pure, continuously free roaming wild herd in the United States!***

Buffalo Field Campaign is the only group working throughout the year to protect the wild buffalo of Yellowstone National Park. BFC volunteers are in the field with the buffalo whenever they are endangered by the relentless onslaught of the Montana cattle industry. BFC is a grassroots organization that makes the most out of every penny we receive. A donation was made in your name to “adopt a volunteer” for one month including food, housing and warm winter gear.

***To find out more about the plight of the last wild buffalo in the United States, please visit: <http://www.BuffaloFieldCampaign.org> or send and email to [buffalo@wildrockies.org](mailto:buffalo@wildrockies.org)***
