

BUFFALO FIELD CAMPAIGN

2020 Annual Report

Buffalo Field Campaign's mission is to stop the harassment and slaughter of Yellowstone's wild buffalo herds; protect the natural habitat of wild, free-roaming buffalo and other native wildlife; and work with all people-especially Indigenous Nations-to honor and protect the sacredness of the wild buffalo.

In the past year, we successfully:

- Completed our twenty-third season in the field monitoring buffalo migration corridors and documenting abuses.
- Hosted, trained, and educated twenty-four volunteers.
- Launched our first community-based native plant restoration project on Horse Butte.
- Broadened our education and outreach efforts to Bozeman & Missoula, MT.
- Virtual Road Show increased education and outreach worldwide via social media.
- Intensified Treaty Tribe relations.
- Held our quadrennial board and key staff retreat.
