

CURRICULUM VITAE

Paul L. Nicoletti

ADDRESS: College of Veterinary Medicine
University of Florida
P.O. Box 110880
Gainesville, FL 32611-0880
(352) 392-~~4700~~ ext. ~~5800~~ **2239 ext. 5860**
Fax (352) 392-9704
E-mail: nicolettip@vetmed.ufl.edu

Home - 2552 S.W. 14th Drive
Gainesville, FL 32608
(352) 375-2453

BIRTH DATE: October 26, 1932; Goodman, Missouri

MARITAL STATUS: Married: 3 Daughters

EDUCATION: Bachelor of Science, University of Missouri, 1956
Doctor of Veterinary Medicine, University of Missouri, 1956
Master of Science, University of Wisconsin, 1962

PROFESSIONAL EMPLOYMENT:

- 1956-1960 Veterinarian, disease control, USDA, Springfield, Missouri. An area assignment for supervision of regulatory programmed veterinary activities in various animal diseases.
- 1960-1962 Graduate studies, University of Wisconsin, Madison. Included research studies and thesis correlated with field investigations of brucellosis.
- 1962-1968 Regional Epidemiologist (Northeastern United States), USDA, Albany, New York. Duties included field investigations of brucellosis, especially unusual cases. Bacteriologic and serologic evaluations of standard and special procedures were conducted. Served as a consultant to numerous state and national organizations on brucellosis control. Limited epidemiologic investigations were conducted on other diseases such as leptospirosis and tuberculosis. Guest lecturer at several veterinary colleges.
- 1968-1972 Epizootiologist, Food and Agriculture Organization of the United Nations, Teheran, Iran. Duties included training of local government counterparts in epizootiologic techniques and development of provincial diagnostic laboratories. Special studies were conducted in several animal and human diseases which included cooperative work with the Ministry of Agriculture and Health and Departments of Public Health in universities. Consultant to the government in Iraq, 1971.

PROFESSIONAL EMPLOYMENT (continued):

1972-1975 Re-employment with USDA as regional epidemiologist. Duties included investigations of problem field cases of zoonoses, especially brucellosis. Advisor to regional state and federal officials on brucellosis program activities. Guest lecturer at several veterinary colleges on brucellosis and exotic diseases.

1975-August 1978

USDA transfer to Gainesville, Florida. Duties included regional investigations of brucellosis problems and advisor to regional and national program planners. Supervision of extensive vaccination project in brucellosis. Adjunct Clinical Professor, College of Veterinary medicine, University of Florida.

August 1978-2003

Professor, Department of Pathobiology, College of Veterinary Medicine, University of Florida.

July 2003- Present

Professor Emeritus, Department of Infectious Diseases and Pathology, College of Veterinary Medicine, University of Florida.

Teaching Responsibilities:

Veterinary Epidemiology (5501); Food Hygiene (5551); Microbiology (5141); Exotic Diseases (5571). Coordinator of these courses. Guest lecturer, St. George's University, School of Veterinary Medicine, Grenada, numerous occasions.

Research and Investigation:

Research on infectious diseases, especially brucellosis. Member Graduate School Faculty, University of Florida, 1976 to retirement.

Extension Activities:

Past extension activities have included numerous appearances as guest speaker at cattlemen's meetings. Preparation of autotutorial slide course, Auburn University. Preparation of CD-Rom on brucellosis for AleffGroup.

Administrative Experience:

Project Manager, United Nations Special Fund, 1970-1971.

Honors and Awards:

Citation by Department of Agriculture and Markets, New York, 1968.
Certificate of Merit, USDA, 1976.
Florida Cattlemen's Association, 1977
North Dairy Farmers Association, Puerto Rico, 1977
Dairy Farmers, Inc., Florida, 1978
Listed in "Men of Achievement" International Biographical Centre,
Cambridge, England
Listed in Who's Who in Southeastern United States
Listed in Two Thousand Notable Americans
Listed in Who's Who in Frontiers of Science and Technology
Listed in Who's Who in American Education
Listed in Who's Who in the South and Southwest
Listed in Who's Who in Veterinary Science and Medicine
Borden Award, 1979
Award, Universidad de Austral, Chile, 1981, 1985
Gold Star Award, Florida Veterinary Medical Association, 1981; 1986
Faculty-Alumni Award, University of Missouri, 1987
Teacher of the Year, Class of 1989, May 1988
Gamma Sigma Delta, Florida Chapter, International Service to Agriculture.
April, 1989
Honorary Membership, American Veterinary Epidemiological Society, July
1989
Veterinary Graduate Student Association, University of Florida Service
Award, 1991
Recipient, XII International Congress Prize, American Veterinary Medical
Association, July 1991.
Teacher of the Year, Class of 1995, May 1994 College of Veterinary
Medicine
Basic Sciences Teacher of the Year, SCAVMA, May 1994
Class of 1994, Special Award for Dedication and Commitment, May 1994
Commencement Speaker, Graduation Class of 1994
Student American Veterinary Medical Association 1993-1994 Teaching
Excellence Award in Basic Sciences, 1994.
Veterinarian of the Year, Florida Veterinary Medical Association, 1994
Leadership Plaque, Association of Teachers of Veterinary Public Health
and Preventive Medicine, President 1993-1995.
Plaque of Appreciation, UF Veterinary Graduate Student Association, 1996
Published interview in Veterinary Conversations with Mid-Twentieth
Century Leaders O.V. Stalheim, ed., Iowa State University Press, 1995,
pp. 289-295
Appreciation Plaque, Veterinary Graduate Student Association, College of
Veterinary Medicine, 1996.
National Society of Phi Zeta, Upsilon Branch, Service Plaque, 1991-1992.

Honors and Awards (continued):

National Society of Phi Zeta, Upsilon Branch, Presidency and Secretary-Treasurer (1992-1997), 1997.
Induction, La Academia Veterinaria Mexicana, A.C. 1996.
Plaque of Appreciation, Florida Veterinary Medical Association, 1997.
Nominee, Food and Agricultural Sciences Excellence in College and University Teaching Award, National Association of State Universities and Land Grant Colleges, 1998.
Elected as Honorary Member, Jacksonville Veterinary Medical Society, 1999.
Distinguished Service Award, Florida Veterinary Medical Association, 1999.
Alumnus of the Year, University of Missouri, College of Veterinary Medicine, 2000.

Professional Organizations:

Diplomate, American College of Veterinary Preventive Medicine, 1974;
President Elect 1996-1997; President, 1997-1998
American Veterinary Medical Association, 1956-present
Florida Veterinary Medical Association: Executive Board, 1989-1997;
President Elect 1994-1995; President 1995-1996
Alachua County Veterinary Medical Association: Past President: President-elect 1997- President 1999 -
American Association of Bovine Practitioners
Florida Cattlemen's Association; Member Livestock Health Committee
Alachua County Cattleman's Association. Member Executive Board.
American Water Buffalo Association.
American Association of Teachers of Veterinary Public Health and Preventive Medicine, President, 1993-1995
American Association of Food Hygiene Veterinarians.
Member Conference of Research Workers in Animal Diseases
Animal Disease Research Workers in the Southern States, President 1991-1992.
Gamma Sigma Delta, 1985 to present. Representative at UF for Veterinary Medicine, 1987 to 1991.
Phi Zeta membership, 1983 to present. President Upsilon Chapter 1991-1992. Secretary-Treasurer 1992-present; President-Elect, National Phi Zeta, 1995-1997; President, 1997-1999
American Association of Public Health Veterinarians; 1995-to present.

Florida Animal Health Foundation-Member of Board of Directors, 1998 - 2004.
Liaison position, College of Veterinary Medicine to Florida Veterinary Medical Association, 1998 -present.

Editorial Services:

Editorial reviews for JAVMA and AJVR: J. Wildlife Dis., Theriogenology, J. Infectious Diseases, Veterinary Microbiology, Veterinary Immunology and Immunopathology, Canadian Veterinary Journal, Saudi Medical Journal, Editorial Board, Am. J. Vet. Res., 1979-1983.

Committees:

Search Committees: Positions on virology and department chairman, Preventive Medicine, College of Veterinary Medicine, University of Florida, 1977; Veterinary Epidemiologist, 1980-1982; Immunologist, 1981; Bacteriologist, 1981-1983, 1984-1985; Admissions Committee, 1978-1981 Dean of College, 1988; Search Committee, Associate Dean for Alumni and Public Programs, 1989.
Others-Awards and Scholarship, 1981-1983; Curriculum, 1984 to 1991; 1997 -
Ad Hoc, Curriculum Review, 1991-1992.
College Advisory Committee FVMA-1986-present
Faculty Council 1986-1988, Chairman 1987-1988; 1989-1993; 1998-present
Academic Advancement Committee, 1988-1991; 1997-present
Coordinator, Pew National Veterinary Education Program, College of Veterinary Medicine, 1989
Students-Faculty Communications, 1992-present
Search Committee, Director, Health Science Center Library, 1993.
Search Committee, Assistant Director for Development for College of Veterinary Medicine, 1995
Continuing Education Committee; 1995-1998
Curriculum Committee 1997-2000
Academic Advancement Committee 1997-2000
Student Relations Committee 2000-
Chair, Review Team, Pentannual Evaluation, Large Animal Clinical Sciences 2001
Chair, Charlie Bild VIP Program 2001-present.

Guest Presentations and Consultancies: (Partial List)

AVMA, 1963, 1967, 1978, 1980, 1982, 1984, 1988, 1990
Cornell University, Auburn University, University of Missouri, Oklahoma State University (numerous occasions)
Presentations at Veterinary Conferences (Partial list)
New York Veterinary Medical Association, 1964, 1968
Mississippi Veterinary Medical Association, 1973, 1974
Florida Veterinary Medical Association, 1974, 1978, 1979, 1991
Alabama Veterinary Medical Association, 1976
Consultant to Government of Mexico, Dec. 1978, 1980, 1981
American Stock Yard Association, 1979
Consultant to Government of Dominican Republic, 1980
Universities of Santiago and Valdivia (Chile), 1981

Guest Presentations and Consultancies: (continued):

Ecuador Veterinary Medicine Association, Riobamba, 1982
Consultancy Report, Food and Agriculture Organization of the United Nations, 1982
World Veterinary Congress, Perth, Australia, 1983
Consultancy, University of Florida/U.S. Agency for International Development Project in Ecuador, November, 1983
13th World Congress of Cattle Diseases, Durban South Africa, 1984
Consultancy, Food and Agriculture Organization of the United Nations, Qatar, 1985; Kuwait, 1985
Member of Secretariat, Expert Committee on Brucellosis, World Health Organization, Geneva, 1985
Consultancy, AGRODEV Canada Inc. Oman, 1986
World Veterinary Congress, Montreal, 1987
International Symposium on Brucellosis, Pendik, Turkey, 1988
Consultant, Mediterranean Zoonoses Control Center, Athens, Greece, 1988
United Nations University, Invited Speaker, Buenos Aires, Argentina, 1988
Consultancies, Food and Agriculture Organization (Rome), Kuwait, 1989- January and August
Invited Speaker and Participant, Course on Brucellosis, Pamplona, Spain, 1989
Invited Speaker and Participant, International Course on Brucellosis, Zaragoza, Spain, 1989
Invited Speaker, International Course on Zoonoses, Kuwait. January 1990
Invited Speaker, Brucellosis Training Course, Mediterranean Zoonoses Control Center of the World Health Organization of the United Nations (Athens, Greece), Thessaloniki, Greece, May 1990
Invited Speaker, Third World Buffalo Congress, Varna, Bulgaria, May 1991
Invited Speaker, International Seminar on Prevention of Brucellosis in Mediterranean Countries, Valetta, Malta, October 1991
Invited Speaker, International Symposium on Veterinary Preventive Medicine, Monterrey, Mexico, 1992
Invited Speaker, Third Advanced Medicine Symposium, Riyadh, Saudi Arabia, October 1992
Invited Speaker, Mediterranean Zoonoses Control Center, Epidemiology and Surveillance of Brucellosis Involving Human Health Care, Heraklion (Crete) Greece, October 1992
Consultancy, Food and Agriculture Organization of the United Nations, Jordan, October 1992
Consultancy, Food and Agriculture Organization of the United Nations, Turkey (2 weeks), Syria (1 week), December 1992
Invited Speaker North American Veterinary Conference, Orlando, Florida, 1993
Participant, International Conference on Brucellosis, Food and Agriculture Organization of the United Nations, Amman, Jordan, 1993
Consultancy on Brucellosis, International Atomic Energy Agency of the United Nations, Chile, March 1993

Guest Presentations and Consultancies: (continued):

Consultancy on Brucellosis, International Atomic Energy Agency of the United Nations, Costa Rica, March 1993
Invited Participant and Speaker, Symposium on Brucellosis, French Consulate, Jerusalem, April 1993
Invited Speaker, United States Department of Agriculture. Training Course on Brucellosis Epidemiology, Memphis, May 1993
Consultancy, Pan America Health Organization of the United Nations, Jamaica, May 1993
Invited Speaker and Advisor, Universidad Autonoma de Yucatan, Merida, Mexico, June 1993
Consultancy, Volunteers in Overseas Cooperative Assistance, Macedonia, January 1994
Invited Speaker, International Symposium on Brucellosis, Mexico City, March 1994
Invited Speaker and Session Chairman, IVth World Buffalo Congress, Sao Paulo, Brazil, June 1994
Invited Speaker, National Brucellosis Symposium, Jackson, WY, September 1994
Invited Speaker, PanAmerican Veterinary Congress, Acapulco, Mexico, 1994
Invited Speaker, Dairy Conference, Torreon, Mexico, 1995
Invited Speaker, American Association of Laboratory Animal Science, Baltimore, 1995
Invited speaker, North American Veterinary Conference, Orlando, 1997
Invited Speaker, American Veterinary Medical Association, Reno, 1997
Invited Speaker, International Conference on Brucellosis, Santander, Spain
Invited Participant, Meeting of Experts, European Union, Brussels, Belgium, 1999. Second meeting, April 2000
Consultancy, Food and Agriculture Organization of the United Nations, Kosovo, Yugoslavia, 2000, 2001
Visiting Professorship, School of Veterinary Medicine, St. George's University, Grenada, West Indies: duration one month, numerous occasions.

Partial List of International Activities in Veterinary Medicine

Paul Nicoletti

- 1966 Invited participant-training course for Canadian veterinarians, Ottawa
- 1968-1972 Epizootiologist, Food and Agriculture Organization of the United Nations, Teheran, Iran. Duties included training of local counterparts in epizootiologic techniques and development of provincial diagnostic laboratories. Special studies were conducted in several animal and human diseases which included cooperative work with the Ministry of Agriculture, Ministry of Health, and Universities of Teheran, Shiraz, and Isfahan.
- 1970 Assistance to the Joint World Health Organization/Food and Agriculture Organization (United Nations) Expert Committee on Brucellosis, Geneva.
- 1971 Consultancy (2 weeks)—Food and Agriculture Organization, Baghdad, Iraq.
- 1975 Invited paper at International Symposium on Brucellosis, Rabat, Morocco.
- 1978 Invited participant, Training course, Mexico City.
- 1978-1980 Consultancies (several)—Dairy Cooperative and Ministry of Agriculture, Mexico.
- 1980 Consultant (1 week) to the Government of the Dominican Republic and Participant in Training Course.
- 1981 Invited participant, Training Courses, Valdivia and Santiago, Chile.
- 1981 Invited speaker, III Reunion Instituto Interamericana de Cooperacion para la Agricultura, Buenos Aires, Argentina.
- 1982 Invited speaker, Ecuador Veterinary Medical Association, Riobama, Ecuador.
- 1982 Consultancy Report on Control of Brucellosis in the Middle East, Food and Agriculture Organization of the United Nations, Rome.
- 1983 Invited paper and session chairman, International Symposium on Brucellosis, Algiers, Algeria.
- 1983 Invited speaker—World Veterinary Congress, Perth, Australia.
- 1983 Consultancy (3 weeks); University of Florida/U.S. Agency for International Development Project, Ecuador.
- 1984 Invited speaker, World Congress of Cattle Diseases, Durban, South Africa.
- 1985 Consultancy (1 week)—Food and Agriculture Organization of the United Nations, Doha, Qatar.

- 1985 Consultancy (1 week)—Food and Agriculture Organization of the United Nations, Kuwait.
- 1985 Invited speaker, World Congress on Water Buffaloes, Cairo, Egypt.
- 1985 Invited speaker, Conference on Brucellosis, Universidad Austral de Chile, Valdivia.
- 1985 Invited consultant and Member of the Secretariat, Joint World Health Organization/Food and Agriculture Organization (United Nations) Expert Committee on Brucellosis, Geneva.
- 1986 Consultancy (1 week) and Training Course, World Health Organization of the United Nations, Amman, Jordan.
- 1986 Consultancy (3 weeks), AGRODEV, Canada, Brucellosis Control, Oman.
- 1987 Invited speaker and session chairman, IV International Conference on Goats, Brasilia, Brazil.
- 1987 Invited speaker, World Veterinary Congress, Montreal Canada.
- 1987 Consultancy Report for Manual, Office International Des Epizooties, Paris.
- 1988 Invited speaker, International Symposium on Brucellosis, Penikik, Turkey; Consultant to Turkish Government.
- 1988 Invited consultant, Mediterranean Zoonosises Control Centre and World Health Organization of the United States (Geneva), Athens, Greece.
- 1988 Invited speaker and consultant, Conference of United Nations University (Tokyo), Buenos Aires, Argentina.
- 1989 Consultancies, Food and Agriculture Organization of the United Nations, Kuwait, January and August: 2 weeks each.
- 1989 Invited speaker, Programa del Curso Monografico de Brucellosis, Instituto de Salud Publica, Pamplona, Spain.
- 1989 Invited speaker, International Course on Brucellosis, Zaragoza, Spain.
- 1990 Invited speaker, International Course on Zoonosises, Kuwait.
- 1990 Invited speaker, Brucellosis Training Course, Mediterranean Zoonosises Control Centre, World Health Organization of the United Nations (Athens, Greece), Thessaloniki, Greece.
- 1991 Invited speaker, Third World Buffalo Congress, Varna, Bulgaria.
- 1991 Invited speaker, Prevention of Animal Brucellosis in Mediterranean Countries, Valetta, Malta.
- 1992 Invited speaker, International Symposium on Veterinary Preventive Medicine, Monterrey, Mexico.

- 1992 Invited speaker, Third Advanced Medicine Symposium, Riyadh, Saudi Arabia.
- 1992 Invited speaker, Mediterranean Zoonoses Control Center, Epidemiology and Surveillance on Brucellosis Involving Human Health Care, Heraklion (crete), Greece.
- 1992 Consultancy, Food and Agriculture Organization of the United Nations, Jordan.
- 1992 Consultancy, Food and Agriculture Organization of the United Nations, Turkey.
- 1992 Consultancy, Food and Agriculture Organization of the United Nations, Syrian Arab Republic.
- 1993 Invited Participant, Symposium, Food and Agriculture Organization of the United Nations, Amman, Jordan.
- 1993 Consultancy, International Atomic Energy Agency of the United Nations, Chile.
- 1993 Consultancy, International Atomic Energy Agency of the United Nations, Costa Rica.
- 1993 Invited speaker, Symposium on Brucellosis, French Consulate, Jerusalem.
- 1993 Consultancy, Pan America Health Organization of the United Nations, Jamaica.
- 1993 Invited speaker and Advisor, Universidad Autonoma de Yucatan, Merida, Mexico.
- 1994 Invited consultant, Volunteers in Overseas Cooperative Assistant, Republic of Macedonia .
- 1994 Invited speaker, International Symposium on Brucellosis, Mexico City, Mexico.
- 1994 Invited speaker, World Buffalo Congress, Sao Paulo, Brazil.
- 1994 Invited speaker, XIV Pan American Congress on Veterinary Sciences, Acapulco, Mexico.
- 1995 Invited speaker, Third National de Ganaderos Lecheros, Torreon, Mexico.
- 1996 Invited Speaker, La Academia Veterinaria Mexicana, A.C., Mexico City, Mexico.
- 1998 Invited Consultant, United Arab Emirates.
- 1998 Invited Speaker, Jornadas Internacionales Sobre Brucellosis en Sanidad Humana y Animal, Santander, Spain.
- 1999 Invited Participant: Meeting of Experts on Brucellosis, European Union, Brussels, Belgium.
- 2000 Participant in Meeting of Experts on Brucellosis, European Commission, Brussels, Belgium.

- 2000 Consultancy, Food and Agricultural Organization of the United Nations, Kosovo, Yugoslavia.
- 2001 Consultancy, Food and Agricultural Organization of the United Nations, Kosovo, Yugoslavia.
- 2002-2006⁷ Guest professorship, School of Veterinary Medicine, St. George's University, Grenada, West Indies.
